

NESA's Professional Learning Program: Helping You Maximize Student Learning

MAXIMIZE STUDENT LEARNING

Join us at the frontier.

In-Person

- **Fall Leadership Conference (FLC)**
October 19-22, 2023 – Bangkok, Thailand
A NESA community learning experience for school leaders with human connection as the driver. Keynotes and interactive workshops.
- **Educators Training Institute (ETI)**
January 26-27, 2024 – Muscat, Oman
Two days of deep learning and skill building with specialists on high-impact topics to improve your practice. Earn a Certificate of Completion.
- **Learning Futures Summit (LFS)**
March 1-2, 2024 – Cairo, Egypt
Two days of in-depth exploration and collaborative inquiry focusing on the themes of 'AI and Disruptive Tech' and 'Inclusion: Tiered Instructional Pathways for Maximizing Student Learning'. Earn a Certificate of Participation.

Online

- **Webinars**
Interactive live workshops on timely educational topics for 'just-in-time' professional learning. One-day and multi-session offerings.
- **NESA Networked Learning Series (NNLS)**
Deep-dive, design-focused online courses. Collaborative learning journeys in networked communities of practice. Earn a Certificate of Completion.
- **NEW! NESA Networked Learning Series "Cohorts"**
A new blended learning program under the NNLS umbrella. Cohorts include Mathematics, Literacy, Social Studies, and other subjects TBA. Cohorts meet for four online sessions November to April, punctuated by in-person sessions at the ETI in January. Earn a Certificate of Completion.
- **Live Forums**
NESA Member School Communities of Practice meet monthly on Zoom to collaborate on issues related to the new Ed-vironment.
